AIATS
ALL INDIA AAKASH TEST SERIES
PLUS

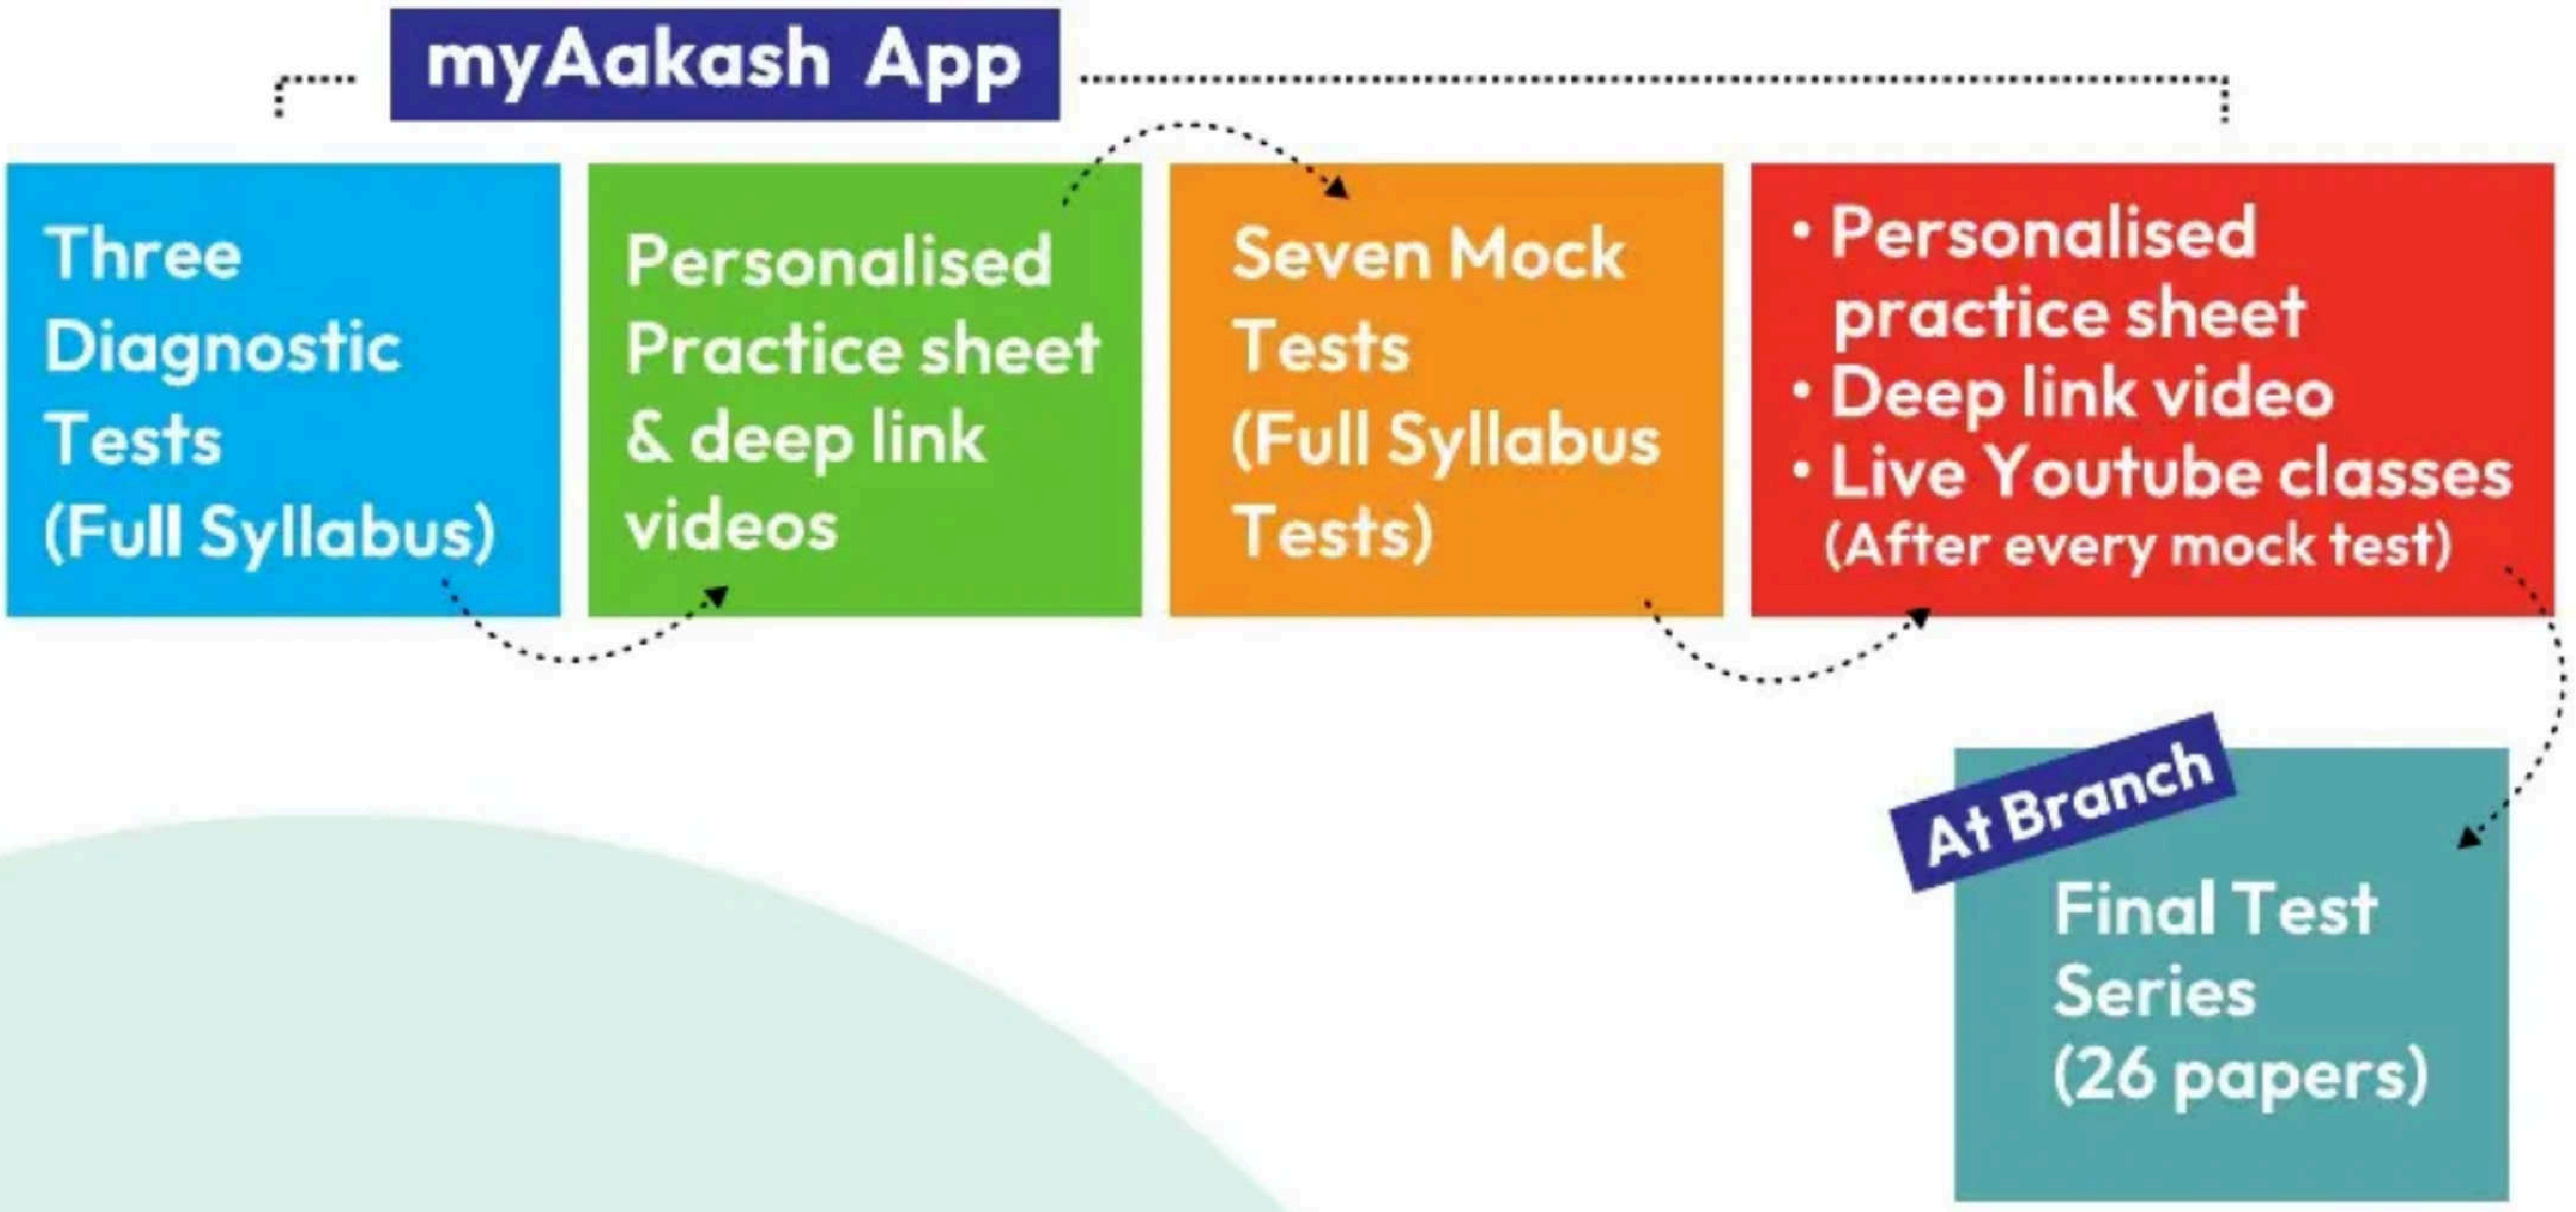
AIATS plus is a targeted testing program designed to strengthen concepts, identify and rectify mistakes and track the progress, ending with the final test series for ensuring complete readiness for **NEET 2025.**

Programme Structure of Phase 2

Duration: 26th December 2024 up to NEET 2025

Exam conduction mode: Online followed by offline

Outline of Program



myAakash App

Three Diagnostic Tests (Full Syllabus)

Personalised Practice sheet & deep link videos

Seven Mock Tests (Full Syllabus Tests)

- Personalised practice sheet
- Deep link video
- Live Youtube classes

(After every mock test)

At Branch

Final Test Series (26 papers)

AIATS Plus-Phase 2

Personalised **L**earning for **U**ltimate **S**uccess

1. **Diagnostic Tests:**
   - Initial NEET readiness tests to assess the student's current knowledge level.
   - Personalised performance analysis report highlighting strengths and areas for improvement along with personalised practice sheets.
2. **Mock Tests:**
   - Full syllabus NEET pattern Mock tests to assess the progress of preparation
3. **Personalised practice sheet:**
   - After 3 diagnostic tests and each mock test, students will receive a targeted practice sheet to focus on areas that need improvement.
   - The sheet will contain 5 practice questions for every wrong attempted and unattempt Question
4. **Faculty support through YouTube class:**
   - A live YouTube class will be conducted for quick doubt resolution, ensuring clarity on complex questions or mistakes.
5. **myAakash App**
   - Students will receive their **results, detailed health score card, deep link videos** and **practice sheets on myAakash App**, helping them focus on areas that need improvement.
6. **Final Test Series**
   - 26 part and full syllabus tests.
   - 13 papers conducted at branch and 13 papers given as home assignment.
   - Each test paper includes QR codes that link directly to video solutions helping students clear doubts.
